

# Payroll Solutions

Dickerson Employee Benefits has entered into an exclusive arrangement to offer you and your clients competitively priced, full-service payroll processing and reporting with a dedicated point of contact and no hidden fees.

When you consider that payroll services for a 30-life company will cost an employer, on average, \$4,000/year, you'll want to check out our services – a differentiator for you and great value for your clients.

## Comprehensive Payroll Services

- Web-based Payroll Processing
- A Dedicated Payroll Specialist
- Direct Deposit
- Online Reporting
- Tax Deposit Services
- A Secure, Employee Portal
- Data Entry and Set-Up Services for a Streamlined Conversion

## Purchasing Integrated Add-ons to These Payroll Services is Easy

Industry-leading dashboard tools, powered by Oracle, unite payroll with online access to:

- Recruiting
- Onboarding
- Time and Attendance
- Benefits Administration
- Performance Reviews
- ACA Compliance Tools
- Tax Incentive Screening
- HR Analytics
