E Statement of Compliance

I understand that no coverage will become effective until notified by the CaliforniaChoice® Underwriting Department. I hereby certify that all information contained in the employer and employee applications are true and correct to the best of my knowledge.

I understand that CaliforniaChoice will not consider my group approved until the funds have been received for our first month's premium payment. If such funds are not received or cannot be processed, my group will NOT be considered approved and will be terminated as of the original requested effective date. If such a termination is made, any expenses that may have been incurred due to utilization by our employees of health care services offered by a CaliforniaChoice plan or carrier will not be the responsibility of CaliforniaChoice, the health plan or carrier.

I understand that no alterations can be made to this section and that it must be signed exactly as stated. I have read and understand the following statements and confirm that my group complies with all the rules and regulations of the CaliforniaChoice Program.

- Our Home Office is located in California.
- A majority (51+%) of our eligible employees reside in California.
- I will maintain all participation requirements including all eligible employees (as noted in the CaliforniaChoice Underwriting Guidelines).
- CaliforniaChoice coverage will be offered to all eligible employees on a uniform basis.
- All employees enrolling are currently working the minimum number of hours per week to be considered eligible (as noted in Section B) to enroll for CaliforniaChoice coverage.

I understand that once CaliforniaChoice coverage is approved, group policy changes cannot be implemented until the next Renewal (Anniversary Date). These changes shall include, but are not limited to COBRA provisions, minimum hours worked per week, and premium contribution amounts.

I understand the plan documents will determine the contractual provisions, including procedures, exclusions and limitations relating to the plan and will govern in the event they conflict with any benefits comparison, summary or other description of the plan.

I understand that once membership information is transmitted to the elected health plans, our group coverage effective date cannot be changed nor can our coverage be terminated until after the first month of coverage.

I understand that no alterations can be made to this section and that it must be signed exactly as stated.

I understand that the above statements are subject to audit at any time.

I understand that the above qualifications must be maintained in order for my group to continue coverage through CaliforniaChoice.

I agree to provide CaliforniaChoice with any and all information necessary to prove the above statements.

I understand that if I am unable to provide the requested information, all CaliforniaChoice benefits will terminate 15 days following notice of termination, and employees will be held responsible for all services and charges incurred through CaliforniaChoice program providers.

I understand that any persons, business, or health plan that suffers a loss because of false declarations contained in this Employer Application may have cause to bring civil action against our company to recover their losses.

I understand that premium payments are to be received by CaliforniaChoice by the statement due date.

I understand that all California Applicants will be subject to Binding Arbitration (see Employee Application).

I understand that if I have elected to add my Broker of Record as an Authorized Group Contact, my Broker of Record will have the ability to make changes on behalf of my group, which may result in a change in premium(s) and/or cancellation of coverage(s).
